

COME AND HEAR

1. Jesus, when I call to you,
come and hear my cry.
Jesus, for your mercy's sake,
come and hear my cry.
When my days are full of pain,
come and hear my cry.
When my heart is sore and bruised,
come and hear my cry.

Come and hear the troubles that I feel,
know the hurting, listen to my heart.

2. When I'm searching and confused,
come and hear my cry.
When my days seem meaningless,
come and hear my cry.
When I'm angry and let down,
come and hear my cry.
When my heart tastes bitterness,
come and hear my cry.

(Repeat chorus; then first four lines of v.1)
