

Outback Christmas Song Words

HE WAS BORN

1. After the ride,
the long anxious ride;
after the ride was over,
he was born, he was born.
In the silence of the dawn
he was born.
2. After the night,
the long fearful night;
after the night was over,
he was born, he was born.
In the silence of the dawn
he was born.
3. After the pain,
the long vicious pain;
after the pain was over,
he was born, he was born.
In the silence of the dawn
he was born.
